The St Leonard's Way Challenge Walk was started by a group of local walking enthusiasts in 1990, with the sole aim of raising money for St Leonard's Hospice.

This is our 20th Challenge Walk. We specially look forward, therefore, in this the Silver Jubilee year for the Hospice, to making this an even more successful event. The Walk has raised a considerable amount of money over the last 19 years, a total in excess of £185,000. All the proceeds from this event go towards the care of patients and support for their families.

Thank you, in anticipation, for any effort you are able to make.

I hope you will rise to the challenge and have a successful walk.
