The St Leonard's Way Challenge Walk was started by a group of local walking enthusiasts in 1990, with the sole aim of raising money for St Leonard's Hospice. This is our 22nd Challenge Walk. Over the years the walk, one of our most popular fundraising events, has raised an excess of £200,000. All the proceeds from this event go towards the care of patients and support for their families. Thank you, in anticipation, for any effort you are able to make. I hope you will rise to the challenge and have a successful walk.

Director of Fundraising

## The Route...

The St Leonard's Way is set in the Bronte Country of the South Pennines, following mainly bridleways around the Haworth area, including sections of the Pennine Way. The countryside varies from woods to open moorland and passes some fine examples of industrial architecture.
