- a sunflower **badge**
- opportunities to **be part** of the continuing work of the Hospice in York
- **our very sincere thanks and gratitude!**

Supporting the Hospice with regular giving

A SPECIAL SORT OF CARE

At St Leonard's Hospice we care for people with life-threatening illness - often, but not always, cancer.

We never make a charge to our patients or to their families. That means we have to meet our running costs of **£2.8 million each**

year - more than **£53,500 every week**. We do this almost entirely with the generosity and support of people like you.

Since St Leonard's opened in 1985 we have cared for almost **10,000 local people** as in-patients and in Daycare.

Our services include

- In-patient care
- Daycare
- Bereavement Service
- Lymphoedema Clinic

YOU CAN MAKE A DIFFERENCE

Could you help St Leonard's by giving to us regularly?

Regular giving is the best way of helping because:

- you can **choose how much** you want to give and **how often** you want to give it.
- knowing it has a **regular income** means St Leonard's can **plan ahead** to make sure it helps more local people.
- it's **easy to set up** - just use the Standing Order form enclosed and your bank will pay us at the intervals you specify, until you tell them to stop

- it **costs us much less** to administer, leaving more for direct patient care
- we can **claim Gift Aid** for every £1 you donate - **at no extra cost to you** - if you are a UK taxpayer and complete the Gift Aid section of the enclosed form.
